ROOMY SIZE & STYLE

Britz has unleashed an innovative camper custom-designed for up to four people. With a dinette that converts to a double bed and drop-down double bed above it, this space saving camper will be super popular for a family of four or group of friends. The automatic transmission makes the Discovery a breeze to drive and with the external storage locker, there is plenty of room for your gear.

IN-VEHICLE TABLET

All our campers are fitted with an in-vehicle tablet packed with features to make sure you don't miss anything along the way.

Here's what it can do for you:

- Get you from A to B with GPS
- Suggest activities and experiences near you bookable directly from the tablet
- Locate useful things like campgrounds, dump stations, petrol stations, LPG refill points
- Provide safe driving videos
- Offer 'How to' and trouble-shooting videos for your camper
- Enable a WIFI Hotspot

All vehicles feature automatic transmission and have air-conditioning and heating in the driver's cabin. The floorplans and specifications are indicative of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability but your vehicle will be suitable for the required number of people and have similar specifications to those listed. Specifications may change without notice and cannot be requested. Solar power panels are used as backup, and assist the 12v battery power supply only. Items requiring 240v mains power will not operate from solar power. *Maximum weight for top bed is 200kg. **Bike racks and bike hire are an additional cost. ^WiFi charges apply. BZ068-09/19.
