All vehicles feature automatic transmission and have air-conditioning and heating in the driver's cabin. The floorplans and specifications are indicative of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability but your vehicle will be suitable for the required number of people and have similar specifications to those listed. Specifications may change without notice and cannot be requested. Solar power panels are used as backup, and assist the 12v battery power supply only. Items requiring 240v mains power will not operate from solar power. **Bike racks and bike hire are an additional cost. ^WiFi charges apply. BZ068-09/19.
